CHAIRMAN'S STATEMENT

This year has been a year of consolidation and development for your company. Many initiatives taken this year will surely blossom into strong performance in the coming years and I am very optimistic about the future course of the company and the development of our main areas of business.

The Media and Entertainment industry has continued to outperform the economy. Overall growth has been 12.6% against GDP growth of around 6%. Film and music have seen excellent growth with Film growing at 21% and Music at 18% according to the latest FICCI report. The Indian box office continues to grow from strength to strength with a host of film performing extremely well. Content has been the key with audiences willing to accept new storylines as well as traditional commercial films. It's an exciting time to be in our business.

The year has again seen Mukta Arts Limited grow overall. Our top-line continues to increase, growing over 20% in key revenue generating areas so that the company can again post record income of Rs 2626.29 millions in the financial year just completed. Profits are down from last year, which was on account of other income, but the company continues to be profitable overall and is building for the next phase.

I have spent most of this year preparing and shooting my next project. 'Kaanchi' is a film that I have great expectations from. It is a movie that I believe will strike a strong chord with audiences given its subject and storyline. 'Kaanchi' stars Rishi Kapoor and Mithun Chakravarty in pivotal roles but it's the fresh cast that I am extremely excited about. Mishti and Karthik both have huge potential and I believe that post this film, they will be big stars.

Filmmaking has always been my greatest passion and the return to doing what I love the most has reinvigorated my love for the movies. Along with my own film, this year we have announced a film with Dharmendra, Sunny Deol and Bobby Deol titled 'Ishq De Maare' as well as a sequel to our hugely successful comedy 'Apna Sapna Money Money'. In addition we have continued our regional focus with films in Marathi, Kannada and shortly Punjabi.

Our Marathi film, 'Samhita' has won a host of awards from festivals in which it has been showcased including MAMI in Mumbai and IFFK in Cochin. The film has also won two National Awards – for best female playback singer and best music direction. It gives us a sense of great pride and I believe regional cinema is a place of great growth.

Other significant events this year include a joint venture creation with UFO Moviez. Mukta Movies is recognized as one of India's leading distributors and also one of the leading programmers of films for cinemas. Your company does programming for over 450 screens and our deal with VN Films Pvt. Ltd (subsidiary of UFO Moviez India Ltd) means we will significantly add to that whilst still remaining the major shareholder. UFO themselves bring significant strengths to the new company and together I am sure the new venture will create great value.

Exhibition continued to be our major investment this year. Mukta Cinemas is now present in three locations – Baroda, Ahmedabad and Gulbarga, which opened in January this year. We will be quickly adding Vizag and our first Mumbai theatre in August and our pipeline means we should reach 12 plus locations by the end of the next financial year in locations like Lalbaug, Sangli, Aurangabad, Kundli (Haryana), Raipur, Bhopal, Selu and Ambernath as well as adding two more theatres in Mumbai – one in Goregaon and one in Panvel.

Mukta Cinemas is concentrating on a partnership model rather than paying out large rents as overheads. This allows us to continue to be profitable even if a poor box office period persists. Also, we are sourcing the materials for our multiplexes from the best vendors at the best prices ensuring little wastage in set-up costs. This control on expenses added to our shrewd sense of picking up properties in strong segments means our payback period of investment is greatly reduced.

Ahmedabad and Baroda have established themselves as excellent performers in their localities and have built a strong clientele and repeat audience. Gulbarga is a larger theatre where the programming mix differs but slowly it is becoming the leading theatre in its area as well. Mukta Cinemas is focusing on delivering a world-class cinema-going experience to all our patrons and this culture is what we are moving forward strongly with. I am extremely excited about this venture.

MUKTA ARTS LIMITED

Whistling Woods International (WWI), despite all the odds, has continued to live up to its reputation of being one of the best film schools in the world. This summer, the school has opened its doors to over 200 new students, which is the best intake ever. The institute has managed to plan a host of new feathers in its cap over the past year and continues to do us proud. The institute is now almost breaking even on a cash basis and some of this year's initiatives should finally see it profitable.

WWI signed a deal with DY Patil Institute, one of India's biggest educational players, to open a second campus in Pune. The courses start in August 2013 and this will generate more students across WWI courses without any investment from the institute. This partnership is a first step to what we believe can be a huge springboard for the WWI brand and I am thankful to Dr. Ajeenkya Patil for placing his faith in me and my team.

Further, WWI will open its first international campus in September 2013 when the Bradford-WWI Film School opens. Bradford College, drawing on WWI's goodwill and expertise, will combine its successful photography and make-up programmes with a new three year film course to form one of the UK's brightest new Film and media schools.

WWI has also formed a new joint venture with renowned fashion designer Neeta Lulla to open the Whistling Woods-Neeta Lulla School of Fashion. Fashion designing is an extremely popular course and we are confident that with WWI's expertise and infrastructure coupled with Neeta's understanding of the industry, we will have a school that will rival the best in the country. The courses begin in September 2013 and I am sure this will be another promising area for the Institute.

We are hoping that the Review petitions pending in the High Court on the issue of the JV under which land was allotted to WWI is heard favorably and WWI is allowed to continue in its prestigious campus. We are committed to ensure that the Students Education is not disturbed and would address the issues within the legal framework to help find appropriate solutions. WWI is now a well established Brand and acknowledged to be offering good quality Creative and Technical Education in the space of Media, Entertainment, Film and Animation. It continues to be rated as among the Top Film Schools in the World an achievement we can all be proud of. However, we are also working on other plans, should the court order have to be executed in its fullest.

WWI now has graduated over 1000 students into the industry and at the most recent Convocation event where over 200 students graduated, Mr. Amitabh Bachchan our guest of honour and one of the Maestro Awardees lavished high praise on the institute, the team and the students. The industry is with us in this endeavor and I know you all are too. The other Maestro Awardees were Shiv-Hari (Pt. Shivkumar Shankar and Pt. Hari Prasad Chaurasia) and the key-note address to students was delivered by Mr. Anand Sudarshan, former CEO of Manipal Global Education.

As I said at the start, I believe we are now moving toward higher levels of performance and this year will be seen as the start of that upswing. Movies, cinemas, distribution and education are the pillars of your company and I firmly believe they are growing stronger and stronger.

Subhash Ghai

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Performance

The Indian Media and Entertainment (M&E) Industry grew by 12.6% in 2012 according to the KPMG-FICCI report. This again is almost double the growth rate of the Indian GDP. Currently the M&E industry has revenues of Rs. 821 billion and the report suggests that there will be a 15.2% compound growth to come over the next 5 years. The Film industry has had another excellent year. The segment witnessed a 21% growth in 2012 and the music segment also rebounded strongly from a number of poor years, growing at 18%.

The management has carefully examined these trends and our current planning and strategy leaves the company well poised to take advantages of the growth segments whilst trending with caution in areas where there are challenges and inherent weaknesses.

Some of the key themes that have prevailed in the Film space over the past year are as follows:

1. Co-Production continues to be the preferred business model. Producers see it prudent to team with peers who understand local markets and can leverage the pulse of the vernacular audience. These peers are helping local producers take their content to newer geographies.
2. Digital is dominating distribution. The share of the digital format has gone from 50% in 2010 to 80-90% in 2012. This has enabled films to broaden their reach and do it far quicker than before. Having same-day release and pre-sale of TV rights captures revenues far quicker than before as well.
3. Exhibition is seeing penetration into Tier 2 and Tier 3 markets. Most large exhibition companies are now moving into the smaller towns to expand footprint and digital exhibition is making this a more profitable venture by reaching out to a broader base than ever before.
4. The exhibition Industry has also seen significant consolidation. PVR's acquisition of Cinemax reduced the number big players in the market to about 4 or 5. The competition between many players had led to aggressive and ill thought-out expansion efforts, which had hurt the industry. Today with fewer players pulling the shots, this effort is far better strategized. The industry remains under-penetrated and the opportunity for newer players continues to exist.
5. Parallel cinema and newer content genres are slowly but steadily gaining traction. Films with non-mainstream storylines have succeeded exceptionally well over the last year on the back of innovative marketing and good distribution strategies. Their limited budgets allowing distributors to target audiences and therefore releases.
6. Social media use in pre-marketing strategies has also become more prevalent. In India, 25% of all Internet time is spent on a social media platform and the total number of social media users is 70 million and growing. Using strategies that quickly target interested consumers; social media can be the base of pre-release marketing for large commercial projects and non-mainstream films mentioned above.
7. Ancillary revenues are becoming lucrative for the industry especially In-cinema Advertising, Licensing and Merchandising, Content Syndication and PPV.
8. Piracy remains a critical challenge to the industry though there have been some changes that have help the industry battle this menace. The release window between film release and TV release has been significantly reduced thus reducing pirated DVD sales. Piracy however is shifting away from physical formats and the fight is now moving to the Internet.
9. Extreme taxation acts as a major hurdle for the industry. States like Maharashtra, Bihar, UP and Karnataka see the tax burden on film at almost 40-50%.

Company Performance

Even though the company released no films this financial year, work on our next slate of films continued in earnest. 'Kaanchi' directed by Subhash Ghai and starring Rishi Kapoor, Mithun Chakravorthy, Mishti and Karthik Tiwari went on the floors in February. On date, the film is almost complete and the company expects a Q3 release in the next financial year.

In addition to this, the company also announced 'Ishq De Maare' with Dharamendra, Sunny Deol and Bobby Deol as well as 'Apna Sapna Money Money 2' slated to be directed by Sangeet Sivan. To bolster the company's production team, Mr. Rajesh Nair was hired in August 2012. Mr. Nair brings with him significant expertise in the film space including development and production from his time at UTV and the company believes he will continue to add significant value to the motion picture slate.

In addition to this, the company also has two regional films ready for release shortly. 'Samahita' in Marathi has won a number of awards in film festivals and two National Awards. The film is directed by the award winning duo Sumitra Bhavne and Sunil Sukthankar and stars Milind Soman and Rajeshwari Sachdev. The Kannada comedy film 'Nimbehuli' is directed by Hemant Hegde.

MUKTA ARTS LIMITED

The distribution business has continued to thrive in volume over the last year. The company continues to release large movies in major territories due to its programming strengths and strong relationships. The company released 35 films over the last year some of which were big Hollywood films such as Life of PI, Titanic-3D, Taken-2, Die Hard-5, Ice Age-4 and Vampire Hunter and commercial Hindi films like Bol Bachchan, Jannat-2, Jolly LLB, Matru Ki Bijlee Ka Mann Dola, Murder-3, Raaz-3 and Akaashvani.

The company took an important step in the programming segment of its business in this financial year. In April, the company signed a Joint Venture agreement with VN Films Pvt Ltd, a subsidiary of UFO Moviez India Ltd, to move all its 450 plus screens under programming arrangements into a new company, Mukta V N Films Limited. This company will also see VN Films move its 100 screens into the JV that will still be 55% owned by Mukta Arts Ltd and 45% owned by VN Films Pvt. Ltd, A UFO Moviez India Ltd. subsidiary.

The additional funding that this JV shall bring will help Mukta-VN quickly consolidate more screens to the kitty ensuring it as the largest programmer of theatres in the country and bringing with it huge economies of scale and volume advantages.

The company continued to invest in its new cinema venture during the year. Two new properties opened this year, in Ahmedabad and Gulbarga. Both properties have quickly established themselves as local leaders in those markets for a wide range of content.

Further, the company has signed deals for another 11 properties that it will develop over the coming months. These include screens at Lalbaug, Topiwala (Goregaon), Panvel, Sangli, Vizag, Aurangabad, Kundali (Haryana), Raipur, Bhopal, Selu and Ambarnath. The company expects that the major work for these screens will all be completed over the course of the next financial year and would be operational over the course of the next 15 months.

The company is ramping up its team rapidly for this business both at the head office as well as locally and is rapidly using its existing strength in the programming segment to locate, identify, negotiate and close high-caliber properties for further expansion and execution.

The company has seen its additional real estate assets almost fully rented out. Clients include, Turner International India Pvt. Ltd, Fourcee Infrastructure Equipment's Pvt. Ltd, Maya Digital Studios Pvt. Ltd, Reliance Mediaworks Ltd, Micky Mehta's Health Beyond Fitness Pvt. Ltd. These deals have all been done at commercially strong rentals.

The company's investment in Maya Digital Studios Pvt Ltd is beginning to show fruit. Maya has a strong pipeline of projects to be rolled out over the coming year including the 3D digitization of 'Sholay' that is due to release soon across the country. The company holds a significant minority stake in Maya of 10 % which will go upto 26%.

Whistling Woods International (WWI) though still fighting a strong legal battle regarding the High Court order against it from last year has performed admirably under tough circumstances. The company has almost seen break even on a cash basis and has launched a slew of new initiatives which will move the company to profitability.

In November 2012, WWI signed a deal with Bradford College to open the Bradford College-WWI Film School at Bradford College's Old Campus in Bradford, UK. The three-year degree course will begin in September 2013 and will be WWI's first overseas campus. WWI will receive a share of top line revenues from student admissions and has worked with Bradford College to create a state of the art curriculum for the new University.

In March 2013, WWI signed a deal with DY Patil to open second campus in DY Patil's campus in Pune. The DY Patil-WWI Film School will run courses in Filmmaking as well as conduct an MBA in Media and Entertainment at the campus starting August 2013. This initiative will increase the flow of students to WWI's Mumbai campus as well as delivering revenues from the admissions at the Pune campus.

In May 2013, WWI signed a deal to start a School of Fashion Design with renowned designer Neeta Lulla. The WWI-Neeta Lulla School of Fashion will open in September 2013 and will run a 1 and 2-year course in Fashion Design and Technology.

WWI itself launched its own undergraduate Film course backed by Bhartidassan University in July 2013. This new course will cater to students finishing their high school and marks WWI's second entry into undergraduate education after the successful BBA degree launch last year.

WWI's students again held an event celebrating Indian cinema. The '100 years of Cinema: The Next Wave' event was held at the campus in May 2013. Again the backbone of the 2-day event was WWI showcasing its facilities and workshops to the general public. The event was hugely successful with almost 5,000 people arriving on campus over the two days. WWI also managed to use it goodwill to bring a host of industry powerhouses to share thoughts including Salim Khan, Javed Akhtar, Shabana Azmi, Vishal Bhardwaj, Anurag Basu, Zoya Akhtar, Dibakar Banerjee, Amol Gupte, Dia Mirza, Prahlad Kakkar and many more.

WWI's current legal status is that the company has moved for a review of the High Court order asking the Institute to vacate the campus after July 2014. The company continues to be positive about retaining the building at Film City however should the Institute be forced to move, management has made plans to continue the educational business at the Mukta House property in Film City thereby ensuring that the uniqueness of the educational experience for students is not diminished.

DISCLOSURES

- 1) The Company has entered into certain transactions with Directors and / or companies in which the Directors or the Management or their relatives, etc., have interest. However, these transactions are of routine nature and do not have any potential conflict with the interest of the Company at large.
- 2) Neither has any non-compliance with any of the legal provisions of law been made by the Company nor any penalty or stricture imposed by the Stock Exchanges or SEBI or any other statutory authority, on matters related to the capital markets, during the last 3 years.

INTERNAL CONTROLS

The Company has an adequate internal audit system commensurate with its size and nature of operations. Regular internal audits and checks are carried out and the management also reviews the internal control systems and procedures to ensure efficient conduct of the business. An independent firm of Chartered Accountants carries out Internal Audit of the Company. The Internal Auditors give their Audit Report at the end of every quarter and the same is discussed and reviewed by the Audit Committee and the Board of Directors of the Company at their respective meetings.

RISK MANAGEMENT

Last few years have seen considerable ups and downs in the fortunes of several entertainment and media companies to evidence that change with times is mandatory to tide over the changing preferences of the audience. Also it is necessary to derisk the business profile to ensure continued viability.

Exhibition and programming streams were added to the business profile of the Company as part of risk mitigant initiatives in view of fluctuating film production revenues. Other initiatives taken were formation of multiplex division of the company viz. Mukta A2 Cinemas, expansion of activities and geographical locations of film education and training subsidiary of the Company viz. Whistling Woods International Limited. Whilst the course content of the educational subsidiary is being continuously enriched and more locations and participating Institutions are being added, churning is also taking place in the exhibition and programming business of the Company by locating new opportunities for expansion through mergers.

CEO/ CFO CERTIFICATION

The Executive Director has signed a certificate accepting responsibility for the financial statements and confirming the effectiveness of the internal control systems, as required in Clause 49 of the Listing Agreement. The certificate is contained in this Annual Report.

PRACTICING COMPANY SECRETARY'S CERTIFICATE ON CORPORATE GOVERNANCE UNDER CLAUSE 49 OF THE LISTING AGREEMENT

TO THE MEMBERS OF MUKTAARTS LIMITED

We have examined the compliance of the conditions of Corporate Governance by Mukta Arts Limited for the year ended on March 31, 2013, as stipulated in Clause 49 of the Listing Agreement of the said Company with the Stock Exchanges.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MUKTA ARTS LIMITED

Independent Auditors' Report

To the Members of
Mukta Arts Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Mukta Arts Limited ('the Company'), which comprise the Balance sheet as at 31 March 2013, the Statement of profit and loss and the Cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis for Qualified Opinion

- a. *As explained in Note 3.39 to the financial statements, the remuneration paid to the managing director of the Company for the year ended 31 March 2013 amounting to Rs 9,979,490 (including fees as film director) and for earlier financial years from 2005-06 to 2011-2012 aggregating to Rs 100,626,669, is in excess of the limits prescribed under Schedule XIII to the Act. The Company has made applications to the Central Government seeking post-facto approval for earlier years, which is awaited; application for the current year is proposed to be made. During the previous year, the Company had received approval for part of the excess remuneration paid (approval received for remuneration aggregating to Rs 25,200,000 for the financial years 2005-06, 2006-07 and 2007-08). The Company had made an application to authorities requesting reconsideration/ approval for the balance excess remuneration. Pending final communication from the authorities in this regard and application for the current year, no adjustment has been made in these financial statements.*
- b. *As at 31 March 2013, the Company's investment in its subsidiary, Whistling Woods International Limited (WWI), a joint venture between the Company and Maharashtra Film, Stage and Cultural Development Corporation Limited ('MFSCDCL'), aggregates to Rs 369,997,000 and loans, advances and deposits include Rs 424,096,877 recoverable from WWI. As more fully explained in Note 3.40 to these financial statements, through its order of 9 February 2012, the High Court of Judicature at Bombay ('High Court') has quashed the Joint Venture Agreement ('JVA') between the Company and MFSCDCL and passed consequential orders. WWI's petition for special leave to appeal filed with the Supreme Court of India has been dismissed. However, the Company and WWI have filed applications to review the said order with the High Court, which have not yet come up for hearing. During the year, the Public Works Department (PWD) Engineer has given his valuation report based on the Balance sheet of WWI as at 31 March 2011. Further, MAL has made an application to the Government of Maharashtra in February 2013 to appoint expert valuers to determine the market price. Also, WWI's net worth stands fully eroded as at 31 March 2013 - management is currently evaluating plans for the future.*

Having regard to the circumstances explained above and pending final outcome of the matter under litigation, the Company has not made any adjustment to the carrying value of investments in and amounts due from WWI. Accordingly, the impact on the carrying value of investments, recoverability of loan and advances, profit for the year and consequentially on the dividend for the year is not determinable.

Independent Auditors' Report (Continued)

Qualified opinion

1. *In our opinion and to the best of our information and according to the explanations given to us, except for the matter relating to the investment in and loans and advances recoverable from the Company's subsidiary WWIL referred to in paragraph (b) of the Basis for Qualified Opinion paragraph above, the outcome and consequent adjustments to the financial statements of which cannot be presently determined, and for the matter relating to the remuneration to the managing director referred to in paragraph (a) of the Basis for Qualified Opinion paragraph above, the said financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India:*
 - (a) *in the case of the Balance sheet, of the state of affairs of the Company as at 31 March 2013;*
 - (b) *in the case of the Statement of profit and loss, of the profit of the Company for the year ended on that date; and*
 - (c) *in the case of the Cash flow statement, of the cash flows of the Company for the year ended on that date.*

Report on other Legal and Regulatory Requirements

2. As required by the Companies (Auditor's Report) Order, 2003 ('the Order'), issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
3. As required by section 227(3) of the Act, we report that:
 - (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) the Balance sheet, Statement of profit and loss and Cash flow statement dealt with by this report are in agreement with the books of account;
 - (d) in our opinion, the Balance sheet, Statement of profit and loss and Cash flow statement comply with the accounting standards referred to in sub-section (3C) of Section 211 of the Act; and
 - (e) on the basis of written representations received from the directors of the Company as at 31 March 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act.

MUKTA ARTS LIMITED

Annexure to the Independent Auditors' Report – 31 March 2013

(Referred to in our report of even date)

- i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets *except that tagging of certain fixed assets is yet to be completed.*
- (b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified annually. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification during the year.
- (c) The Company has not disposed off any fixed assets during the year.
- ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable.
- (b) The procedures for the physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- (iii) The Company has neither granted nor taken any loans, secured or unsecured, to or from companies, firms or other parties covered in the register maintained under Section 301 of the Act.
- (iv) In our opinion and according to the information and explanations given to us, *controls relating to purchase of fixed assets, customer contracting and tracking of amounts billable need to be further strengthened*, and having regard to the explanation that certain services rendered/ rights sold are of a specialised nature and are rendered/ sold to specific buyers and suitable alternative sources are not available to obtain comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventories (food and beverage items) and fixed assets and with regard to sale of services and food and beverage items. We have not observed any material weaknesses during the course of audit.
- (v) In our opinion, and according to the information and explanations given to us, there are no contracts and arrangements the particulars of which need to be entered into the register maintained under Section 301 of the Act.
- (vi) *In our opinion and according to the information and explanations given to us, Company has not complied with the provisions of Sections 58A and 58AA of the Act and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the loan taken and repaid during the year from a director shareholder of the Company.*
- (vii) In our opinion, the Company has an internal audit system commensurate with its size and the nature of its business.

MUKTA ARTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2013

(Currency: Indian Rupees)

1. Background

Mukta Arts Limited ('Mukta' or 'the Company') is a company incorporated in India under the Companies Act, 1956 ('the Act'). The Company was incorporated on 7 September 1982 as Mukta Arts Private Limited and was converted to a public limited company on 30 September 2000 and renamed as Mukta Arts Limited. The Company is promoted by Mr. Subhash Ghai who holds approximately 54.99% of the outstanding equity share capital as at 31 March 2013. The Company is primarily engaged in the business of film production and distribution and film exhibition (wherein it provides film content to multiplexes and single screens across India) as also manages/ operates theatres. The Company also provides production equipment to other production houses and independent producers.

2. Summary of significant accounting policies

2.1 Basis of preparation

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting, in accordance with the provisions of the Act, the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting Standards ('AS') prescribed in the Companies (Accounting Standards) Rules, 2006, issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable. The financial statements are presented in Indian Rupees except per share data and where mentioned otherwise.

During the year ended 31 March 2012 (effective 1 April 2011), the revised Schedule VI notified under the Act had become applicable to the Company for preparation and presentation of its financial statements. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the revised Schedule VI to the Act. The Company has identified its operating cycle as 12 months. However, the adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management believes that the estimates made in the preparation of financial statements are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Current-non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within 12 months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within 12 months after the reporting date; or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2013 (CONTD.)

(Currency: Indian Rupees)

2. Summary of significant accounting policies (Continued)

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

2.4 Fixed assets

Tangible assets

Tangible fixed assets are stated at cost of acquisition less accumulated depreciation and any provision for impairment. Cost includes freight, duties, taxes (other than those recoverable from tax authorities) and other expenses directly attributable to the acquisition/ construction and installation of the fixed assets for bringing the asset to its working condition for its intended use. Cost incurred on fixed assets not ready for their intended use is disclosed under Capital work-in-progress. Capital work-in-progress includes estimates of work completed, as certified by the management.

Intangible assets

Film rights comprising negative rights and distribution rights.

Negative film rights are generally exploited through media such as theatrical exhibition, television/ satellite, cable, etc. Negative film rights in respect of films produced are recorded at cost, which is determined on specific identification basis. Acquired negative rights are recorded at the purchase price paid to acquire the rights plus any additional cost incurred which is determined on specific identification basis. Cost incurred on films-in-progress is recorded as Intangible assets under development.

Distribution rights in films are for a contractually specified mode of exploitation, period and territory and are stated at cost. Cost of distribution comprises original purchase price/ minimum guarantee, which is ascertained on specific identification basis. In case multiple films/ rights are acquired for a consolidated amount, cost is allocated to each film/ right based on the agreement or where it is not specified in the agreement, based on management's best estimates. In respect of unreleased films, payments towards distribution rights are classified under Capital advances as the amounts are refundable in the event of non release of the film.

Software

Application software purchased, which is not an integral part of the related hardware, is shown as intangible assets.

2.5 Depreciation/ amortisation

Tangible assets

Depreciation on fixed assets is provided on written down value method, at the rates prescribed in Schedule XIV to the Act, which, in management's opinion, reflect the estimated useful lives of those fixed assets.

Leasehold improvements/ premises are depreciated at the lower of the estimated useful lives of the assets and the lease term, on a straight-line basis.

Fixed assets costing individually up to Rs 5,000 are depreciated fully in the year of purchase.

Intangible assets

Film rights comprising negative rights and distribution rights

Costs are amortised in the proportion that gross revenue realized bears to management's estimate of total gross revenue expected to be received. If estimates of the total revenue and other events or changes in circumstances indicate that the realizable value of a right is less than its unamortized cost, a loss is recognized for the excess of unamortized cost over the film rights' realizable value.

Software

Application software purchased is amortised over its license period or on a straight-line basis over its useful life, not exceeding five years, as determined by management.

2.6 Impairment

In accordance with AS 28 – 'Impairment of Assets', where there is an indication of impairment of the Company's assets, the carrying amount of the Company's assets are reviewed at each Balance sheet date to determine whether there is any impairment. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. An impairment loss is recognised whenever the carrying amount of an asset or the cash generating unit to which it belongs exceeds its recoverable amount. Impairment loss is recognised in the Statement of profit and loss or against revaluation surplus, where applicable.

MUKTA ARTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2013 (CONTD.)

(Currency: Indian Rupees)

2. Summary of significant accounting policies (Continued)

2.6 Impairment (Continued)

If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciated historical cost.

Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

2.7 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company, revenue can be reliably measured and recoverability is reasonably certain. The amount recognized as income is exclusive of value added tax, service tax and net of trade discounts. Unbilled revenue represents costs incurred and revenues recognized on contracts to be billed in subsequent periods as per the terms of the contract.

Film/content production and related income

Revenue from sale of content/ motion pictures is recognized on assignment/sale of the rights in the concerned content/ motion picture from the date of their availability for exploitation or on the date of release of the content/ movie, as applicable.

Revenue from other rights in motion pictures such as satellite rights, overseas rights, music rights, video rights, etc., is recognized on assignment/ sale of the rights in the concerned motion picture from the date of their availability for exploitation.

Income from distribution and exhibition

Revenue comprising proceeds from sales of tickets, net of taxes and exhibitor's share is recognized on the date of release/ exhibition based on Daily collection report. As the Company is the primary obligor, the share of producers, joint venture investors (other than those in jointly controlled assets) and sub-agents / sub distributors are included in revenues from distribution and exhibition (theatrical exploitation) and are correspondingly disclosed as direct cost.

Distribution/ sub-distribution commission is recognized as it is earned based on intimation by the theatre owners / distributors.

Revenue from management of theatres is recognised on an accrual basis as per the contractual arrangement entered into with the theatre owners.

Theatrical exhibition and related income

Sale of tickets

Revenue from theatrical exhibition is recognised on the date of the exhibition of the films and comprises proceeds from sale of tickets, net of entertainment tax. As the Company is the primary obligor with respect to exhibition activities, the share of distributors in these proceeds is separately disclosed as distributors' share.

Sale of food and beverages

Revenue from sale of food and beverages is recognised upon sale and delivery at the counter.

Advertisement / sponsorship revenue

Revenue from advertisements, sponsorship and events is recognised on the date of the exhibition of the advertisement / event, over the period of the contract or on completion of the Company's obligations, as applicable.

Revenue from equipment hire/ facility rental

Income from equipment hire/ facility rental is recognised on a straight-line basis over the period of the relevant agreement/ arrangement.

Interest income

Interest income is recognised on a time proportion basis.

Dividend income

Dividend income is recognised when the right to receive dividend is unconditional at the balance sheet date.

2.8 Inventory

Inventories of food and beverages are valued at the lower of cost and net realisable value. Cost of inventories comprises all cost of purchases, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on the First-In, First-Out ('FIFO') basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2013 (CONTD.)

(Currency: Indian Rupees)

2. Summary of significant accounting policies (Continued)

2.9 Investments

Long-term investments and current maturities of long term investments are stated at cost less any provision for diminution, which is other than temporary, in value.

Current investments, except for current maturities of long term investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.

2.10 Employee benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is charged to the Statement of profit and loss in the period in which such services are rendered.

(b) Post employment benefits

Defined contribution plan:

The Company's contribution paid / payable under the recognised provident fund scheme and the employees' state insurance contribution is recognised as an expense in the Statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plan:

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity scheme is calculated by estimating the amount of future benefit that employees have earned in return for their services in the current and prior periods. These benefits are discounted to determine their present value, and the fair value of any plan assets is deducted therefrom.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation at each Balance sheet date by an independent actuary, using the Projected Unit Credit Method, which recognises each period of service as giving rise to one additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligations are measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligations under the defined benefit plan are based on the market yields on government bonds as at the Balance sheet date.

All actuarial gains and losses arising during the period are recognised immediately in the Statement of profit and loss.

(c) Other long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligations at the Balance sheet date based on an actuarial valuation by an independent actuary using the Projected Unit Credit Method. The discount rates used for determining the present value of the obligations under the defined benefit plan are based on the market yields on government bonds as at the Balance sheet date.

2.11 Foreign currency transactions

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of the transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of profit and loss for the year. Monetary assets and liabilities denominated in foreign currencies as at the Balance sheet date are translated at the closing exchange rates on that date; the resultant exchange differences are recognised in the Statement of profit and loss.

Non-monetary items are carried at historical cost using the exchange rate at the date of the transaction.

2.12 Earnings per share ('EPS')

The basic earnings per equity share are computed by dividing the net profit or loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which may be issued on the conversion of all dilutive potential shares, unless the results would be anti dilutive.

(Currency: Indian Rupees)

2. Summary of significant accounting policies (Continued)

2.13 Taxation

Income-tax expense comprises current tax expense and deferred tax charge or credit.

Current tax

Provision for current tax is recognised in accordance with the provisions of the Income-tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

Minimum Alternative Tax Credit entitlement

Minimum Alternative Tax ("MAT") credit is recognised only to the extent there is convincing evidence that the Company will pay normal income tax in excess of MAT during the specified period.

MAT credit entitlement is reviewed as at each Balance sheet date and written down to the extent there is no longer convincing evidence that the Company will pay normal income tax during the specified period.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits or losses offered for income taxes and profits/losses as per the financial statements. Deferred tax assets and liabilities and the corresponding deferred tax credit or charge are measured using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance sheet date.

Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.

2.14 Leases

Finance lease

Assets acquired on finance lease are recognised as a fixed asset with a corresponding liability at the inception of the lease, at an amount equal to the lower of the fair value of the leased asset or the present value of the future minimum lease payments. Such leased assets are depreciated over the lease term or estimated useful life, whichever is shorter. Further, the payment of minimum lease payments are apportioned between finance charges (debited to the Statement of profit and loss) and reduction in lease obligations (recorded at the inception of the lease).

Operating lease

The Company has various operating leases, principally for office space, with various renewal options. Rental expense in agreements with scheduled rent increases is recorded on a straight-line basis over the lease term.

Assets given on operating lease

Lease rentals in respect of assets given on operating lease are recognised on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit received.

2.15 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of profit and loss.

2.16 Provisions and contingencies

A provision is made when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

3.40 Public Interest Litigations ('PIL') had been filed alleging that the Maharashtra Film, Stage and Cultural Development Corporation Limited ('MFSCDCL') had not followed proper procedure while entering into a Joint Venture Agreement ('JVA') with the Company and subsequent allotment of 20 acre land to the said joint venture, Whistling Woods International Limited ('WWI'), a subsidiary of the Company. During the previous year, pursuant to the Order of the High Court of Judicature at Bombay ('High Court') dated 9 February 2012, inter-alia, the JVA with MFSCDCL has been quashed/ rendered cancelled, WWI has been ordered to return the land to MFSCDCL and pay rent (including interest on arrears) retrospectively on the entire land since the date of the JVA. Of the total land admeasuring 20 acres, 14.5 acres vacant unused land has been handed over to MFSCDCL on 18 April 2012 and the balance is to be handed over on or before 31 July 2014. Pending discussion and/ or agreement with MFSCDCL and/or clarifications to be sought from the concerned parties, no adjustments have been made to the Share Capital structure of WWI and the carrying value of the Land rights in its books of account. Further, MFSCDCL had demanded Rs 832,062,611 towards arrears of rent and interest thereon vide letter dated 3 December 2012. However, in terms of the Order of the High Court, the said amount together with future rent till the date of vacation of the premises is adjustable against the market price of the Institute building of WWI on the said land. The valuation is to be carried out by an expert valuer to be appointed by the Government. During the year, the PWD Engineer has given his valuation report based on the Balance Sheet of WWI as at 31 March 2011. Further, the Company has made an application to the Government of Maharashtra in February 2013 to appoint expert valuers to determine the market price. WWI's petition for special leave to appeal filed with the Supreme Court of India has been dismissed. However, the Company and WWI have filed review petitions with the High Court, which have not yet come up for hearing. Pending final disposal of the review petitions and valuation of the building, and in view of the future plans for WWI which are being evaluated, management believes that the Company's investments in WWI and amounts due therefrom are good and recoverable as management is hopeful of reliefs based on the issues involved and on merits of the case, as also of a high valuation of the building.

Independent Auditors' Report

To the Board of Directors of
Mukta Arts Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Mukta Arts Limited ('the Company') and its subsidiaries (collectively referred to as 'the Group'), which comprise the consolidated Balance sheet as at 31 March 2013, the consolidated Statement of profit and loss and consolidated Cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS 21) on Consolidated Financial Statements as prescribed by the Companies (Accounting Standard's) Rules, 2006.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion

Basis for Qualified Opinion

- a. *As explained in Note 3.37 to the consolidated financial statements, the remuneration paid to the managing director of the Company for the year ended 31 March 2013 amounting to Rs 9,979,490 (including fees as film director) and for earlier financial years from 2005-06 to 2011-2012 aggregating to Rs 100,626,669, is in excess of the limits prescribed under Schedule XIII to the Act. The Company has made applications to the Central Government seeking post-facto approval for earlier years, which is awaited; application for the current year is proposed to be made. During the previous year, the Company had received approval for part of the excess remuneration paid (approval received for remuneration aggregating to Rs 25,200,000 for the financial years 2005-06, 2006-07 and 2007-08). The Company had made an application to authorities requesting reconsideration/ approval for the balance excess remuneration. Pending final communication from the authorities in this regard and application for the current year, no adjustment has been made in these financial statements.*
- b. *As more fully explained in Note 3.34(d) to the consolidated financial statements, Whistling Woods International Limited ('WWI'), a subsidiary of the Company, has disputed the demand from Income-tax authorities aggregating to Rs 3,630,861 (2012: Rs 9,272,861 (including interest Rs 872,982 (2012: Rs 872,982) and penalty Rs Nil (2012: Rs 5,642,000)) for the financial years ended 31 March 2004 (assessment year 2004-05), 31 March 2005 (assessment year 2005-06) and 31 March 2006 (assessment year 2006-07). No provision has been made in the financial statements in this regard. Had the Company accrued for this liability, the loss for the year and the deficit in balance at year end would have been higher by Rs.3,630,861 (2012: Rs 9,272,861).*
- c. *As more fully explained in Note 3.38 to the consolidated financial statements, through its order of 9 February 2012, the High Court of Judicature at Bombay ('High Court') had quashed the Joint Venture Agreement ('JVA') relating to WWI between the Company and Maharashtra Film, Stage and Cultural Development Corporation Limited ('MFSCDCL') and passed consequential orders. WWI's petition for Special Leave to Appeal with the Supreme Court has been dismissed in April 2012. However, the Company and WWI have filed applications to review the said order with the High Court, which have not yet come up for hearing.*

MUKTA ARTS LIMITED

Independent Auditors' Report (Continued)

Pursuant to the High Court's aforesaid Order, the allotment of land to WWI, pursuant to the JVA (in lieu of which equity shares of corresponding value were issued to MFSCDCL), recorded in the books of the WWI as land rights at a cost of Rs 30,000,000, had been cancelled and WWI had been ordered to return the land to MFSCDCL (of the total land admeasuring 20 acres, 14.5 acres vacant unused land has been handed over to MFSCDCL on 18 April 2012 and the balance is to be handed over on or before 31 July 2014). Pending discussion and/ or agreement with MFSCDCL and/ or clarifications to be sought from the concerned parties, no adjustments have been made to the Share Capital structure of WWI and carrying value of the Land rights in the books of account.

Further, MFSCDCL had demanded Rs 832,062,611 towards arrears of rent and interest thereon vide letter dated 3 December 2012, which has not been accounted for in view of the pending review petition referred to above. Also, as per the High Court Order which is under challenge from the Company and WWI, there is an option to set-off the arrears of rent and interest thereon against the market price of the building with net excess or shortfall to be refunded to/ claimed from the Company/ WWI, as applicable. During the current year, the Public Works Department (PWD) Engineer has given his valuation report of Institute building based on the Balance sheet of the Company as at 31 March 2011. The Company has made an application to the Government of Maharashtra in February 2013 to appoint expert valuers to determine the market price.

Having regard to the circumstances explained above and pending final outcome of the matter under litigation, the impact on the consolidated financial statements and the results for the year is currently not ascertainable.

Qualified opinion

1. In our opinion and to the best of our information and according to the explanations given to us, except for the matter relating to the litigation with MFSCDCL referred to in paragraph (c) of the Basis for Qualified Opinion paragraph above, the outcome and consequent adjustments to the financial statements of which cannot be presently determined, and for the matter relating to the remuneration to the managing director referred to in paragraph (a) and the matter related to disputed income tax dues of WWI referred to in paragraph (b) of the Basis for Qualified Opinion paragraph above, the said consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India:
 - (a) in the case of the consolidated Balance sheet, of the state of affairs of the Group as at 31 March 2013;
 - (b) in the case of the consolidated Statement of profit and loss, of the profit of the Group for the year ended on that date; and
 - (c) in the case of the consolidated Cash flow statement, of the cash flows of the Group for the year ended on that date.
2. Other matters

We have not audited the financial statements of subsidiaries mentioned in the Annexure to this report whose total assets and total revenues are mentioned in the Annexure to this report. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion is based solely on the reports of the other auditors.

MUKTA ARTS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2013

(Currency: Indian Rupees)

1. Background

Mukta Arts Limited ('Mukta' or 'the Company' or 'the Parent Company') is a company incorporated in India under the Companies Act, 1956 ('the Act'). The Company was incorporated on 7 September 1982 as Mukta Arts Private Limited and was converted from a private limited company to a public limited company on 30 September 2000 and renamed as Mukta Arts Limited. The Company is promoted by Mr. Subhash Ghai who holds approximately 54.99% of the outstanding equity share capital as at 31 March 2013. The Company is primarily engaged in the business of film production, distribution and film exhibition (wherein it provides film content to multiplexes and single screens across India) and also manages/ runs theatres. The Company also provides production facilities to other production houses and independent producers. The Company has four subsidiaries, Whistling Woods International Limited (which is an education institute which imparts training in various skills related to films, television and media industry), Coruscant Tec Private Limited (which is a wireless solutions company with a focus on wireless content), Connect1 Limited (which is involved in marketing of film content) and Mukta Tele Media Limited (which is involved in production of television serials).

2. Summary of significant accounting policies

2.1 Basis of preparation and consolidation

The consolidated financial statements relate to Mukta Arts Limited ('the Company/ Parent Company') and its subsidiary companies. The Company along with its subsidiaries constitute 'the Group'.

The audited financial statements of the subsidiaries used in consolidation are for the same reporting period as that of the Company, i.e. year ended 31 March 2013. These financial statements are audited by the auditors of the respective entities.

The financial statements of the Group have been prepared and presented under the historical cost convention, on the accrual basis of accounting, in accordance with the provisions of the Act, the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting Standards ('AS') prescribed in the Companies (Accounting Standards) Rules, 2006, issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable. The consolidated financial statements are presented in Indian Rupees except per share data and where mentioned otherwise.

During the year ended 31 March 2012 (effective 1 April 2011), the revised Schedule VI notified under the Act had become applicable to the Company for preparation and presentation of its financial statements. Accordingly, all assets and liabilities have been classified as current or non-current as per the entity's normal operating cycle and other criteria set out in the revised Schedule VI to the Act. The entity has identified its operating cycle as 12 months. However, the adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements.

2.2 Principles of consolidation

The consolidated financial statements are prepared in accordance with AS 21 – 'Consolidated Financial statements'. Consolidated financial statements are prepared using uniform accounting policies for transactions and other events in similar circumstances except where it is not practicable to do so. The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Parent Company for its independent financial statements. The consolidated financial statements have been consolidated on the following basis:

Subsidiaries

The excess of cost to the Company of its investment in subsidiaries over its portion of equity in the subsidiaries at the respective dates on which investments in such subsidiaries was made is recognized in the financial statements as goodwill and any excess of net assets over the investment in a subsidiary is transferred to Capital Reserve. The Company's portion of equity in the subsidiaries is determined on the basis of the book value of assets and liabilities as per the financial statements of the subsidiaries as on the date of the investment.

The financial statements of the Parent Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances/ transactions and resulting unrealized profits in full. The amounts shown in respect of reserves/ accumulated losses comprise the reserve/ accumulated losses as per the Balance sheet of the Parent Company and its share in the post-acquisition increase/ decrease in the relevant reserve/ accumulated losses of the subsidiaries.

The amount of Goodwill and Capital Reserve are presented on a net basis for each subsidiary, wherever applicable.

Minority interest's share of profits or losses is adjusted against the income to arrive at the net income attributable to the shareholders of the Parent Company. Minority interest's share of net assets is disclosed separately in the Consolidated balance sheet.

The losses applicable to the minority in a consolidated subsidiary may exceed the minority interest in the equity of the subsidiary. The excess, and any further losses applicable to the minority, are adjusted against the majority interest except to the extent that the minority has a binding obligation to, and is able to, make good the losses. If the subsidiary subsequently reports profits, all such profits are allocated to the majority interest until the minority's share of losses previously absorbed by the majority has been recovered. The list of subsidiaries with the percentage of holding is summarised below:

2. Summary of significant accounting policies (Continued)

2.2 Principles of consolidation (Continued)

Sr. No	Name of the Subsidiary	Country of Incorporation	% of shareholding in 2013	% of shareholding in 2012
1	Whistling Woods International Limited	India	84.99%	84.99%
2	Connect.1 Limited *	India	99.00%	99.00%
3	Mukta Tele Media Limited*	India	99.92%	99.92%
4	Coruscant Tec Private Limited* *audited by M/s Garg Devendra & Associates, Chartered Accountants (Firm's registration No. 130993W).	India	100.00%	100.00%

2.3 Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management believes that the estimates made in the preparation of these financial statements are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying consolidated financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.4 Current–non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or
- the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

2.5 Goodwill

The excess of cost to the Parent company of its investments over its portion of equity in the subsidiaries, as at the date on which the investment was made, is recognized as goodwill in the consolidated financial statements. The Parent Company's portion of equity in the subsidiaries is determined on the basis of the book value of assets and liabilities as per the financial statements of the subsidiaries as on the date of investment.

Goodwill is reviewed for a decline other than temporary in its carrying value, whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. The Group assesses the recoverability of goodwill by reference to the valuation methodology adopted by it on the acquisition date, which included strategic and synergic factors that were expected to enhance the enterprise value. Accordingly, the Group would consider that there exists a decline other than temporary in the carrying value of goodwill when, in conjunction with its valuation methodology, its expectations with respect to the underlying acquisitions it has made deteriorates with adverse market conditions.

2. Summary of significant accounting policies (Continued)

2.6 Fixed assets

Tangible assets

Tangible fixed assets are stated at cost of acquisition less accumulated depreciation and any provision for impairment. Cost includes freight, duties, taxes (other than those recoverable from tax authorities) and other expenses directly attributable to the acquisition/ construction and installation of the fixed assets for bringing the asset to its working condition for its intended use. Costs of assets acquired on acquisition of business are determined based on the fair values/ book values as per the terms of the respective agreement/ arrangement.

Costs incurred on fixed assets not ready for their intended use is disclosed under capital work-in-progress. Capital work-in-progress includes estimates of work completed, as certified by the management.

Intangible assets

Film rights comprising negative rights and distribution rights.

Negative film rights are generally exploited through media such as theatrical exhibition, television/ satellite, cable, etc. Negative film rights in respect of films produced are recorded at cost, which is determined on specific identification basis. Acquired negative rights are recorded at the purchase price paid to acquire the rights plus any additional cost incurred which is determined on specific identification basis. Cost incurred on films-in-progress is recorded as Intangible assets under development.

Distribution rights in films are for a contractually specified mode of exploitation, period and territory and are stated at cost. Cost of distribution comprises original purchase price/ minimum guarantee, which is ascertained on specific identification basis. In case multiple films/ rights are acquired for a consolidated amount, cost is allocated to each film/ right based on the agreement or where it is not specified in the agreement, based on management's best estimates. In respect of unreleased films, payments towards distribution rights are classified under Capital advances as the amounts are refundable in the event of non release of the film.

Software

Application software purchased, which is not an integral part of the related hardware, is shown as intangible assets.

Intellectual property rights

Intangible assets also comprise of intellectual property rights ('IPR') in course curriculum and library of books. An intangible asset is recognized if, and only if, it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise.

IPR in course curriculum consists of expenses incurred on internal development of course curriculum.

2.7 Depreciation/ amortisation

Tangible assets

Depreciation on fixed assets is provided on written down value method, at the rates prescribed in Schedule XIV to the Act, which, in management's opinion, reflect the estimated useful lives of those fixed assets.

Leasehold improvements/ premises are depreciated at the lower of the estimated useful lives of the assets and the lease term, on a straight-line basis.

Fixed assets costing individually up to Rs 5,000 are depreciated fully in the year of purchase.

Intangible assets

Film rights comprising negative rights and distribution rights

Costs are amortised in the proportion that gross revenue realized bears to management's estimate of total gross revenue expected to be received. If estimates of the total revenue and other events or changes in circumstances indicate that the realizable value of a right is less than its unamortized cost, a loss is recognized for the excess of unamortized cost over the film rights' realizable value.

The amortisation of other intangible assets is provided pro-rata on straight line basis over their useful life determined by the management as mentioned below:

Intangible assets	Estimated useful life
Intellectual property rights (course curriculum)	5 years
Library (books and copyrights)	1 year

Software

Application software purchased is amortised over its license period or on a straight line basis over its useful life, not exceeding five years, as determined by management.

2. Summary of significant accounting policies (Continued)

2.8 Impairment

In accordance with AS 28 on 'Impairment of Assets', where there is an indication of impairment of assets, the carrying amounts of the assets are reviewed at each Balance sheet date to determine whether there is any impairment. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. An impairment loss is recognised whenever the carrying amount of an asset or the cash generating unit to which it belongs exceeds its recoverable amount. Impairment loss is recognised in the Statement of profit and loss or against revaluation surplus, where applicable.

If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciated historical cost.

Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

2.9 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the entity, revenue can be reliably measured and recoverability is reasonably certain. The amount recognized as income is exclusive of value added tax, service tax and net of trade discounts. Unbilled revenue represents costs incurred and revenues recognized on contracts to be billed in subsequent periods as per the terms of the contract.

Film/ content production and related income

Revenue from sale of content/ motion pictures is recognized on assignment/ sale of the rights in the concerned content/ motion picture from the date of their availability for exploitation or on the date of release of the content/ movie, as applicable.

Revenue from other rights in motion pictures such as satellite rights, overseas rights, music rights, video rights, etc., is recognized on assignment/ sale of the rights in the concerned motion picture from the date of their availability for exploitation.

Income from distribution and exhibition

Revenue comprising proceeds from sales of tickets, net of taxes and exhibitor's share, is recognized on the date of release/ exhibition based on Daily collection report. As the Company is the primary obligor, the share of producers, joint venture investors (other than those in jointly controlled assets) and sub-agents/ sub distributors are included in revenues from distribution and exhibition (theatrical exploitation) and are correspondingly disclosed as direct cost.

Distribution/ sub-distribution commission is recognized as it is earned based on intimation by the theatre owners/ distributors.

Revenue from management of theatres is recognised on an accrual basis as per the contractual arrangement entered into with the theatre owners.

Theatrical exhibition and related income

Sale of tickets

Revenue from theatrical exhibition is recognised on the date of the exhibition of the films and comprises proceeds from sale of tickets, net of entertainment tax. As the Company is the primary obligor with respect to exhibition activities, the share of distributors in these proceeds is separately disclosed as distributors' share.

Sale of food and beverages

Revenue from sale of food and beverages is recognised upon sale and delivery at the counter.

Advertisement/ sponsorship revenue

Revenue from advertisements, sponsorship and events is recognised on the date of the exhibition of the advertisement/ event, over the period of the contract or on completion of the Company's obligations, as applicable.

Revenue from equipment hire/ facility rental

Income from equipment hire/ facility rental is recognised on a straight line basis over the period of the relevant agreement/ arrangement.

Consultancy fees/ tuition fees income

Revenue from tuition fee is recognized over the period of the course. Revenue from acceptance and admission fees is recognized at the time of commencement of the batch for which students have been enrolled. Revenue from sale of prospectus and other materials/ goods is recognized on delivery to the student. Revenue from consultancy fees is recognised when services are rendered as per contractual arrangement.

Interest income

Interest income is recognised on a time proportion basis.

Dividend income

Dividend income is recognised when the right to receive dividend is unconditional at the Balance sheet date.

(Currency: Indian Rupees)

2. Summary of significant accounting policies (Continued)

2.10 Inventory

Inventories of food and beverages are valued at the lower of cost and net realisable value. Cost of inventories comprises all cost of purchases, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on the First-In, First-Out ('FIFO') basis.

2.11 Investments

Long-term investments and current maturities of long term investments are stated at cost less any provision for diminution, which is other than temporary, in value.

Current investments, except for current maturities of long term investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.

2.12 Employee benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is charged to the Statement of profit and loss in the period in which such services are rendered.

(b) Post employment benefits

Defined contribution plan:

The contribution paid/ payable under the recognised provident fund scheme and the employees' state insurance contribution is recognised as an expense in the Statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plan:

The gratuity benefit scheme is a defined benefit plan. The net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their services in the current and prior periods. These benefits are discounted to determine their present value, and the fair value of any plan assets is deducted there from.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation at each Balance sheet date by an independent actuary using the Projected unit credit method, which recognises each period of service as giving rise to one additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligations are measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligations under the defined benefit plan are based on the market yields on government bonds as at the Balance sheet date.

Actuarial gains and losses arising during the year are recognised immediately in the Statement of profit and loss.

(c) Other long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligations at the Balance sheet date based on an actuarial valuation by an independent actuary using the Projected unit credit method. The discount rates used for determining the present value of the obligations under the defined benefit plan are based on the market yields on government bonds as at the Balance sheet date.

2.13 Foreign currency transactions

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of the transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of profit and loss for the year. Monetary assets and liabilities denominated in foreign currencies as at the Balance sheet date are translated at the closing exchange rates on that date; the resultant exchange differences are recognised in the Statement of profit and loss.

Non-monetary items are carried at historical cost using the exchange rate at the date of the transaction.

2.14 Earnings per share ('EPS')

The basic earnings per equity share are computed by dividing the net profit or loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which may be issued on the conversion of all dilutive potential shares, unless the results would be anti dilutive.

2. Summary of significant accounting policies (Continued)

2.15 Taxation

Income-tax expense comprises current tax expense and deferred tax charge or credit.

Current tax

Provision for current tax is recognised in accordance with the provisions of the Income tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

Minimum Alternative Tax Credit Entitlement

Minimum Alternative Tax ("MAT") credit is recognised only to the extent there is convincing evidence that the entity will pay normal income tax in excess of MAT during the specified period. MAT credit entitlement is reviewed as at each Balance sheet date and written down to the extent there is no longer convincing evidence that the entity will pay normal income tax during the specified period.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits or losses offered for income taxes and profits/ losses as per the financial statements. Deferred tax assets and liabilities and the corresponding deferred tax credit or charge are measured using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance sheet date.

Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax asset is recognised only if there is a virtual certainty of realisation of such asset. Deferred tax asset is reviewed as at each Balance sheet date and written down or written up to reflect the amount that is reasonably/ virtually certain to be realized.

2.16 Leases

Finance lease

Assets acquired on finance lease are recognised as a fixed asset with a corresponding liability at the inception of the lease, at an amount equal to the lower of the fair value of the leased asset or the present value of the future minimum lease payments. Such leased assets are depreciated over the lease term or estimated useful life, whichever is shorter. Further, the payment of minimum lease payments are apportioned between finance charges (debited to the Statement of profit and loss) and reduction in lease obligations (recorded at the inception of the lease).

Operating lease

The Company has various operating leases, principally for office space, with various renewal options. Rental expense in agreements with scheduled rent increases is recorded on a straight-line basis over the lease term.

Assets given on operating lease

Lease rentals in respect of assets given on operating lease are recognised on a straight line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit received.

2.17 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of profit and loss.

2.18 Provisions and contingencies

A provision is created when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

B Assessment year 2004-05

"There are certain additions/ disallowances made in the assessment and the Department had raised a demand of Rs. 2,898,895 (including interest Rs 711,905). Aggrieved by the assessment order, the company had filed an appeal with the C.I.T (Appeals) who confirmed the additions/ disallowances. WWI subsequently filed an appeal with the Income Tax Appellate Tribunal which was also dismissed and the company deposited the outstanding amount. The Assessing officer had passed an order u/s 143(3)/250 of the Income tax Act, 1961 giving appeal effect against which the company preferred an appeal before C.I.T (Appeals) who by order dated 4 February 2013 upheld the order of Assessing officer. WWI has filed an appeal against the said order before Hon. Tribunal on 23 April 2013 which has not yet come up for hearing. The company has not accrued for the liability as it is contesting these matters and management believes that its position will be upheld. The Assessing officer has also levied penalty of Rs 3,000,000, which was contested by the WWI with the C.I.T (Appeals) who confirmed the penalty. The company subsequently filed an appeal with the Income Tax Appellate Tribunal which set aside the order and referred it back to the C.I.T Appeals and the C.I.T (Appeals) vide order dated 30 July 2012 has allowed the appeal and penalty is deleted."

C Assessment year 2005-06

There are certain additions/ disallowances made in the assessment and the Department had raised a demand of Rs 524,063 (including interest Rs 106,950) and the WWI deposited the outstanding amount. Aggrieved by the assessment order, the company had filed an appeal with the C.I.T (Appeals) who confirmed the additions/ disallowances. The Company subsequently filed an appeal with the Income Tax Appellate Tribunal which set aside the order and referred it back to the C.I.T Appeals. C.I.T (Appeals) who by order dated 4 February 2013 upheld the order of Assessing officer. The company has filed an appeal against the said order before Hon. Tribunal on 23 April 2013 of which hearing is not yet intimated. The company has not accrued for the liability as it is contesting these matters and management believes that its position will be upheld.

D Assessment year 2006-07

"There are certain additions/ disallowances made in the assessment and the department had raised a demand of Rs 207,903 (including interest Rs 54,127) and the company deposited the outstanding amount. WWI preferred an appeal against the same before C.I.T. (Appeals). The C.I.T. (Appeals) allowed the contention of the company that, in case Income from rent is treated as Income, the deduction against the same may be allowed. For other addition/ disallowance C.I.T (Appeals) following earlier years decisions confirmed the same. 3.38 Public Interest Litigations ('PIL') had been filed alleging that the Maharashtra Film, Stage and Cultural Development Corporation Limited ('MFSCDCL') had not followed proper procedure while entering into a Joint Venture Agreement ('JVA') with the Company and subsequent allotment of 20 acre land to the said joint venture, Whistling Woods International Limited ('WWI'), a subsidiary of the Company. During the previous year, pursuant to the Order of the High Court of Judicature at Bombay ('High Court') dated 9 February 2012, inter-alia, the JVA with MFSCDCL has been quashed/ rendered cancelled, WWI has been ordered to return the land to MFSCDCL and pay rent (including interest on arrears) retrospectively on the entire land since the date of the JVA. Of the total land admeasuring 20 acres, 14.5 acres vacant unused land has been handed over to MFSCDCL on 18 April 2012 and the balance is to be handed over on or before 31 July 2014. Pending discussion and/ or agreement with MFSCDCL and/ or clarifications to be sought from the concerned parties, no adjustments have been made to the Share Capital structure of WWI and the carrying value of the Land rights in its books of account. Further, MFSCDCL had demanded Rs 832,062,611 towards arrears of rent and interest thereon vide letter dated 3 December 2012. However, in terms of the Order of the High Court, the said amount together with future rent till the date of vacation of the premises is adjustable against the market price of the Institute building of WWI on the said land. The valuation is to be carried out by an expert valuer to be appointed by the Government. During the year, the Public Works Department Engineer has given his valuation report based on the Balance Sheet of WWI as at 31 March 2011. Further, Mukta Arts Ltd has made an application to the Government of Maharashtra in February 2013 to appoint expert valuers to determine the market price. WWI's petition for special leave to appeal filed with the Supreme Court of India has been dismissed. However, the Company and WWI have filed review petitions with the High Court, which have not yet come up for hearing. Pending final disposal of the review petition and valuation of the building, no adjustment has been made in these consolidated financial statements as management is hopeful of reliefs based on the issues involved and on merits of the case, as also of a high valuation of the building.

3.39 Discontinuing operations

During the year, vide term sheet dated 11 September 2012, the Company entered into an agreement with VN Films Pvt. Ltd., (formerly known as Allied Services Private Limited,) to form a Joint Venture Company under the name "MUKTA V N FILMS LIMITED" to conduct the business of exhibition and programming presently being conducted by MAL and forming part of MAL's revenue under 'Software' segment. MAL will hold 55% in the Joint Venture Company. The Board of Directors of MAL had passed a resolution at their meeting held on 5 March 2013, authorising the Company to enter into a shareholders' agreement. Further, on 19 April 2013, the proposal has been approved by the shareholders through postal ballot.
