

Independent Auditor's Report

**To the Members of
M/s. MUKTA TELE MEDIA LIMITED**

Report on the Audit of Indian Accounting Standards (Ind AS) financial statements

Opinion

We have audited the accompanying Ind AS financial statements of **M/s Mukta Tele Media Limited** (hereinafter referred to as "the Company"), which comprise the balance sheet as at 31st March 2026, and the Statement of Profit & Loss (including Other Comprehensive Income), Statement of changes in equity and statement of cash flows for the year ended on that date, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its Loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA" s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical

responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report for the year ended 31st March, 2026.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Annual Report, for example Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under

section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the

company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit & Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to any of its directors during the year hence the provisions of section 197 of the Act is not applicable.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the Company during the year.
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not proposed or declared or paid any Final or Interim Dividend during the year.

- vi. The Company uses an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software. Further, there is no instance of audit trail feature being tampered with in respect of the accounting software where such feature is enabled. The same has been preserved as per the statutory requirements for record retention from the date the audit trail was enabled for the accounting software.

Annexure B to the Independent Auditor's Report

(Referred to in paragraph under 'Report on other legal and regulatory requirements' section of our report to the Members of **M/s Mukta Tele Media Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **Mukta Tele Media Limited** ("the Company") as at March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and explanations given to us, the Company has, in all material respects, adequate internal financial control over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods

are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the Ind AS Financial Statements for the year ended 31 March 2026

1 General information

Mukta Tele Media Limited (" the Company ") is a closely held Company having its registered office at 3rd Floor, Mukta House, Filmcity Complex, Goregaon (E) Mumbai - 400065. The Company is incorporated as on 20th September 2002.

2 Summary of significant accounting policies

2.1 Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These Ind AS financial statements are presented in Indian rupees, which is the Company's functional currency. All amounts have been rounded off to the nearest thousands, unless otherwise indicated

Historical Cost Convention

The financial statements have been prepared on an accrual basis and under the historical cost convention, except for certain financial assets and liabilities and defined benefit plan assets which have been measured at fair value.

2.2 Current versus non-current classification

The assets and liabilities reported in the balance sheet are classified as current or non-current. Current assets, which include cash and cash equivalents, are assets that are intended to be realised during the normal operating cycle of the Company or within 12 months of the balance sheet date; current liabilities are expected to be settled during the normal operating cycle of the Company or within 12 months of balance sheet date. The deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

2.4 Foreign Currency Transactions

The financial statements are presented in Indian rupee (INR), which is the functional and presentation currency of the Company.

2.5 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company, revenue can be reliably measured and recoverability is reasonably certain. The amount recognised as income is exclusive of taxes and net of trade discounts. Unbilled revenue represents costs incurred and revenues recognised on contracts to be billed in subsequent periods as per the terms of the contract.

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Notes to the Ind AS Financial Statements for the year ended 31 March 2026

2.6 Employee benefits

There are no confirmed employees in the employment of the Company, hence there are no benefit plans defined or cost to be accounted in account during the year.

2.7 Taxation

Income-tax expense comprises current tax expense and deferred tax charge or credit.

Current tax

Provision for current tax is recognised in accordance with the provisions of the Income-tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits or losses offered for income taxes and profits/losses as per the financial statements. Deferred tax assets and liabilities and the corresponding deferred tax credit or charge are measured using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance sheet date.

Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be

2.8 Property, plant and equipment (PPE)

Items of Property, plant and equipment (PPE) are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes freight, duties, taxes (other than those recoverable from tax authorities) and other expenses directly attributable to the acquisition/ construction and installation of the fixed assets for bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Cost incurred on fixed assets not ready for their intended use is disclosed under capital work-in-progress. Capital work-in-progress includes estimates of work completed, as certified by the management.

Notes to the Ind AS Financial Statements for the year ended 31 March 2026

Depreciation methods, estimated useful lives and residual value

The Company applies depreciation rates as per the useful lives of the assets as specified in Part 'C' of Schedule II to the Companies Act 2013, except for the following class of assets where the useful life is higher than the useful life prescribed in Schedule II based on management estimates which is supported by assessment carried out by technical experts. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Asset class	Useful life
Plant and equipment	10-14 years
Furniture and fixtures	5 years

Leasehold improvements/ premises are depreciated at the lower of the estimated useful lives of the assets and the lease term, on a straight-line basis.

2.9 Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably.

Investment properties are depreciated using the written down value method over their estimated useful lives. Investment properties generally have a useful life of 30 years. The useful life has been determined based on technical evaluation performed by technical experts.

2.10 Intangible assets

Film rights comprising negative rights and distribution rights

Negative film rights are generally exploited through media such as theatrical exhibition, television/ satellite, cable, etc. Negative film rights in respect of films produced are recorded at cost, which is determined on specific identification basis. Acquired negative rights are recorded at the purchase price paid to acquire the rights plus any additional cost incurred which is determined on specific identification basis. Cost incurred on films-in-progress is reported as Intangible assets under development.

Distribution rights in films are for a contractually specified mode of exploitation, period and territory and are stated at cost. Cost of distribution comprises original purchase price/ minimum guarantee, which is ascertained on specific identification basis. In case multiple films/ rights are acquired for a consolidated amount, cost is allocated to each film/ right based on the agreement or where it is not specified in the agreement, based on management's best estimates. In respect of unreleased films, payments towards distribution rights are classified under capital advances as the amounts are refundable in the event of non-release of the film.

Costs are amortised in the proportion that gross revenue realised bears to management's estimate of total gross revenue expected to be received. If estimates of the total revenue and other events or changes in circumstances indicate that the realisable value of a right is less than its unamortised cost, a loss is recognised for the excess of unamortised cost over the film rights' realisable value.

Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the Company is exposed to and how it manages those risks.

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including cash and cash equivalents and deposits with banks.

Credit risk management

(a) Trade receivable related credit risk

The Company evaluates the concentration of risk with respect to trade receivables as low. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company provides for expected credit loss on trade receivables based on expected credit loss method. Each outstanding customer receivables are regularly monitored and if outstanding is above due date the further shipments are controlled and can only be released if there is a proper justification.

(b) Others Financial Asset

Credit risk from balances with banks is managed by Company in accordance with the Company policy. The other financial assets are from various forum of Government authorities and are released by Government authorities on completion of relevant terms and conditions for the release of outstanding.

(B) Liquidity risk

The Company manages liquidity risk by continuously monitoring forecast and actual cash flows on daily, monthly and yearly basis. The Company ensures that there is a free credit limit available at the start of the year which is sufficient for repayments getting due in the ensuing year.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of two types of risks – interest rate risk & currency risk. Financial instrument affected by market risks includes loans and borrowings, deposits and other financials assets.

Capital management

For the purpose of the Company's capital management, equity includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximize shareholders' value.

Notes to the Ind AS Financial Statements for the year ended 31 March 2026

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for borrowings, debentures, Retention money payable, Deposits included in level 3.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

43 Events after the end of the reporting year

No subsequent event has been observed which may required an adjustment to the statement of financial position.

44 In the opinion of the Director, current assets, loans, advances and deposits are approximately of the value stated, if realised in the ordinary course of business and are subject to confirmation.

45 Previous year's figures have been re-grouped, re-arranged or re-cast, wherever considered necessary to conform to the current year's presentation
